“In front of a king guarded by four lions is where you start”

We know that we start in front of the Equestrian Statue of King Charles I

Step 2:

“A giant with 2 hands and a loud voice can be seen hinting you to come closer”

From the start point, we can see it refers to Big Ben Tower.

We walk towards the Tower

Step 3:

“With the eye on the left, you cross the path guarded by a queen”

Eye refers to the London Eye

Queen refers to Boadecia and her daughters statue

We cross the Westminster Bridge

Step 4:

“Walk along the shores in the direction of the home of the Second Royal”

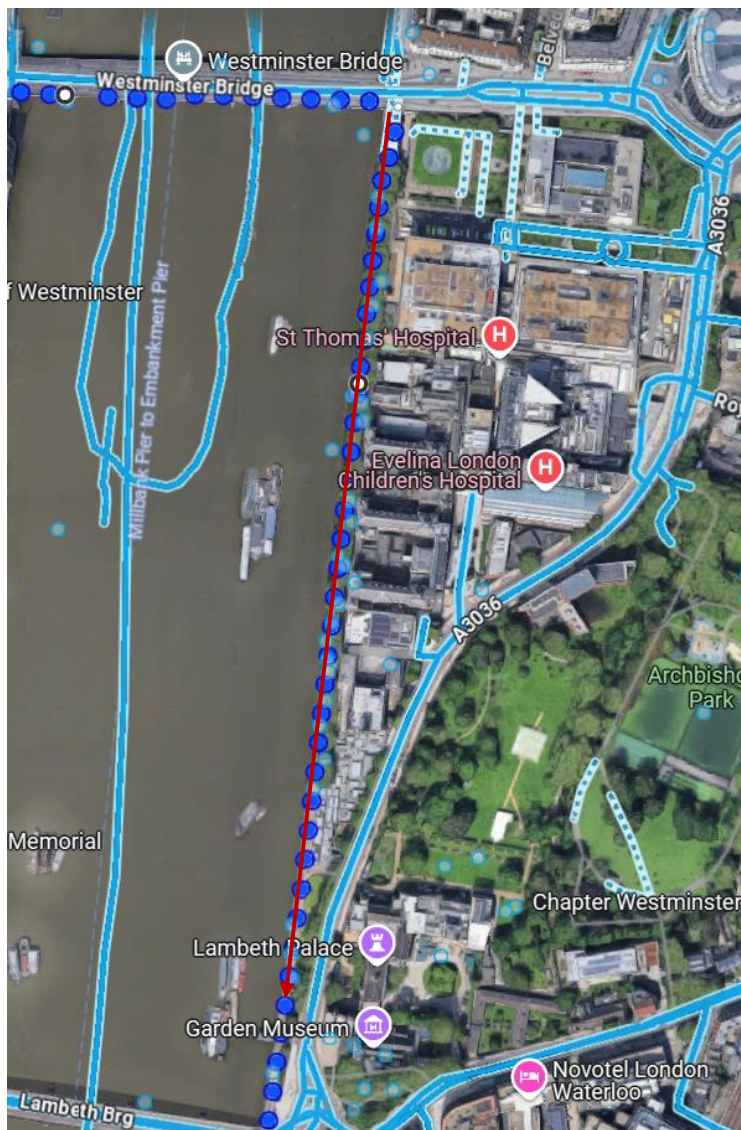

The second royal refers to the Archbishop of Canterbury and his home is Lambeth Palace.

In the English and Welsh order of precedence, the archbishop of Canterbury is ranked above all individuals in the realm, with the exception of the sovereign and members of the royal family.
